**SUGGESTED SPECIFICATION**

Vynlaire Plus is a multi-layered vinyl floor sheeting, 1.00mm thick with a 0.10mm thick wear-layer, available in sheets 2m wide. The product comprises a compacted under layer reinforced with a glass fibre grid and a printed all-over design that is protected by a transparent wear-layer. Vynlaire Plus is compact, heavy-duty and durable. The flooring is antibacterial and anti-fungal, has a group T wear rating and is suitable for medium traffic areas. Vynlaire is primarily designed as a loose lay, however, it can be bonded to the floor using either double-sided adhesive tape or FloorworX No. 62 Acrylic Adhesive.
