	THE PROTECTION OF PERSONAL INFORMATION ACT (POPIA) CLIENT/ USER PRIVACY PROTOCOLS POLICY	Issue: 1 Rev. 0 Date:21/04/2021 Page 1 of 4
---	---	--

Preamble

The purpose of this policy is to advise the client/user (data subject) of **FloorworX Africa (Pty) Ltd** to **FloorworX**, services both electronic and otherwise, why data is collected and processed, what data is in focus as well as how it is processed. FloorworX is committed to full compliance with the POPI Act insofar as the utilisation and disclosure of data subject personal information (PI) is concerned. Hence, technical and operational measures have been put in place to protect data subject privacy and FloorworX invites all data subjects and/or requesters to engage with its **Information Officer (IO)** in respect of any matter related hereto.

Scope of application

This policy applies to data subjects under the POPI Act and its principles extend to the Promotion of Access to Information Act (PAIA) in respect of requesters of records held by FloorworX. PI applies to both natural and juristic persons. Data subjects and requesters are invited to engage with the **FloorworX IO** about any matter pertaining to the POPIA and PAIA, including but not limited to updating PI, deletion of PI, complaints in respect of how PI is being processed and updating consent for electronic direct marketing. The **“Information Officer” portal** on the website facilitates these types of engagement.

About FloorworX

With over 65 years of business experience, FloorworX is the only manufacturer in South Africa who produces semi-flexible vinyl tiles and fully-flexible vinyl sheeting and tiles. Our locally manufactured products are SANS mark-bearing.

Quality control and the environment are key factors when selecting your partner in any building related product or service. Our East London factory is ISO 90001 and ISO 45001 accredited.

Apart from the fact that FloorworX is proudly and deeply rooted in our beautiful country, and thus has our economy's welfare at heart, FloorworX also branches out internationally to bring South Africa the latest in flooring technology from abroad.

More details in this regard can be obtained in the **“www.floorworx.co.za”** link to its website.

Definition of Personal Information (PI)

“Personal information” means information relating to an identifiable, living, natural person, and where it is applicable, an identifiable, existing juristic person, including, but not limited to—

(g) the views or opinions of another individual about the person; and

(h) the name of the person if it appears with other personal information relating to the person or if the disclosure of the name itself would reveal information about the person;

Purpose of Collecting and Processing PI

FloorworX processes PI for various purposes including for –

- Engaging in various forms of direct marketing
- Facilitating transactions with data subjects
- Collecting data for statistical purposes to improve its services
- Fulfilling its contractual obligations to its clients and client contacts
- Complying with the provisions of statute and regulations
- Attending to the legitimate interests of data subjects
- Identifying prospects for enhanced service delivery and business sustainability
- Tracking data subject activity on the website and its links as well as their transactions with FloorworX
- Providing data subject information to FloorworX partners, currently Integrated Marketing Solutions (IMS) and Everlytic, in order for FloorworX partners to use the information to market their services to data subjects who are current clients and/ or who have consented as envisaged in the POPI Act. These FloorworX partners who are recipients of PI are business organizations who are permitted to use the information only for lawful sales, marketing, and engagement
- Confirm and verify data subject identity or to verify that they are authorised users for security purposes;
- Conduct market or customer satisfaction research
- Audit and record keeping purposes
- In connection with legal proceedings.

Lawful Basis

In respect of the processing of PI as provided for above, FloorworX will adhere to the conditions for the lawful processing of PI, based on its desire to provide data subjects services in their best interests as well as a legitimate interest of FloorworX to achieve its business objectives.

Period of holding Personal Information

FloorworX endeavours to provide the most accurate information possible to stakeholders, including data subjects. FloorworX seeks to verify the accuracy of its information as frequently as possible and to remove information that it learns to be inaccurate. Thus, FloorworX intends to process the information it has about data subjects for so long as it is accurate or until the data subject instructs FloorworX to refrain from processing it – **in order to instruct FloorworX to refrain from collecting and/ or processing PI click here to access the Information Officer portal.**

Notwithstanding the above, FloorworX shall hold PI for such period as may be required in terms of statutes such as the Companies Act and various labour laws.

Data Subject Rights

Data subjects have the right to request that FloorworX provide them with access to their PI, to rectify or correct their personal information, erase PI or restrict the processing of PI, including refraining from sharing it or otherwise providing it to any third parties. Data subjects also have the right to raise complaints with the

FloorworX may also disclose data subject PI:

- Where it has a duty or a right to disclose in terms of law and/ or industry codes;
- Where it believes it is necessary to protect its rights.

Information Security

FloorworX is legally obliged to provide adequate systems, technical and operational protection for the PI that it holds and to prevent unauthorized access to as well as prohibited use of PI. FloorworX will therefore on a regular basis review its security controls and related processes to ensure that the PI of data subjects remains secure.

FloorworX has conducted an impact assessment across all of its functions and used the findings thereof to manage risk optimally as well as to provide iterative improvements on an ongoing basis. FloorworX policies and procedures cover the following aspects -

- Physical security;
- Computer and network security;
- Access to personal information;
- Secure communications;
- Security in contracting out activities or functions;
- Retention and disposal of information;
- Acceptable usage of personal information;
- Governance and regulatory issues;
- Monitoring access and usage of private information;
- Investigating and reacting to security incidents.

FloorworX also ensures that it contracts with Operators as required by POPI and it requires appropriate security, privacy and confidentiality obligations of these operators in order to ensure that personal information is kept secure. The same protocols apply to any party to whom FloorworX may pass PI on to for the purposes mentioned herein.
